

You are invited to attend the [Northwest GIS User Group](#) meeting during this year's ESRI User Conference (ESRI UC). It's a great opportunity to network with other GIS users from the Northwest while enjoying hosted beverages and munchies. There is no need to register; your ESRI conference badge will be your pass into this event. Adding to the fun will be a raffle for a number of great items generously donated by our sponsors. This raffle is limited to Northwest users and you must be present to win.

Visit the sponsors' booths at the conference for additional information and drink tickets. One drink ticket per attendee will be provided at the door, but visit your favorite sponsors for more tickets!
