

MAGIP Membership Subcommittee Meeting Minutes

Wednesday, July 27th, 2016 - City of Bozeman Professional Building, Conference Room 1, Bozeman, MT

Attendance: Chair Carrie Shockley, Jenney Connelly, Liz Juers, Jeff Hedstrom (call in)

Welcomed new members, Jenny, Liz, and Selita (unable to attend this meeting). Reviewed purpose of Membership Subcommittee and provided brief orientation to committee and google docs.

Discussed accomplishments from 2015-2016:

- Attended MSU career fair – focused student involvement
- Compiled membership report
- Updated renewal email/notification

Discussion on goals and budgets for 2016-2017. Will finalize goals and budget at next meeting.

- Survey to non-renewal members regarding why/how could we better serve them
- MSU/UofM Career fair (committed to MSU career fair already) \$
- Highlight incentives and benefits (new members, at conferences, webinars/video recording, did you know emails)
- Reach out to other conferences (conference brochures, attendance, training, etc...) \$
- List serve update – continue getting members to sign up to list serve, checkbox on membership application to automatically add them to list serve
- Salary Survey (Jeff has indicated that he and professional development could collaborate on this) \$

Discussed MSU Career Fair – October 6th. Will have handouts and list serve/MAGIP signups at booth. Will specifically focus on mentoring and resume (on website) benefits currently offered by MAGIP. It was decided not to pursue a resume critique or interview session at this time. Will pursue the idea of offering student projects - will need to get board approval before pursuing (would like to offer it to all students, not just MAGIP members who are students) and work with MSU faculty to vet idea. [Carrie will submit application for assistance to MAGIP for Career Fair booth costs.](#)

[Carrie will add Liz, Selita, and Jenny to google docs. Carrie will add Liz, Selita, and Jenny to membership subcommittee webpage as members.](#)

Next meeting – Tuesday, Sept 13th, at 10:00AM, Bozeman
