## Project Narrative \*

Good Afternoon,

I am currently in the process of renewing my GISP through GISCI, and was reminded of the letter of support that is available from MAGIP. On July 8th, 2010 (for my initial GISP application/certification), I received a letter of support from Lee Macholz (MAGIP Administrator) noting certification information.

I understand that a letter is not directly necessary for GISP renewal: however, it will provide validation of my involvement (conferences and committees/subcommittees).

Does this appear correct?

2009-2011 Board of Directors

2009-2013 Web Subcommittee Chair

2010-2012 Mentoring Committee

2010-2013 Technical Committee

Please let me know if you have any questions.

Thank you for your time and consideration.

Jason Danielson
