|--------------------------------|--|
| Name of Organization | MAGIP Membership Subcommittee |
| Contact Person * | Carrie Shockley |
| Address |  20 E Olive St Bozeman, Montana 59771 United States |
| Phone Number | (406) 582-2252 |
| Email * | cshockley@bozeman.net |
| Type of Assistance Requested * | <ul style="list-style-type: none"> Other (please explain in project narrative) |

Project Narrative *

The MAGIP Membership subcommittee would like to have a booth at the MSU Career Fair on October 6th. We plan on having handouts (MAGIP placards, job resources, etc...) and swag for students who stop by the booth. We will have a computer available there for any student who would like to sign up to become a MAGIP member or who would like to join the list serve. We will specifically promote the mentoring program and resume portion on the website as benefits that might be most applicable to students.

One of the things we heard from many students last year was their desire to work with someone in the GIS community to get experience or to simply work with real data on real projects. We would like to offer opportunities for the students to work with MAGIP members on projects but have yet to finalize what this might look like. We will return to the board for final approval on this aspect.

Last year we attended the MSU career fair and reached out to many students. We had 5 students join MAGIP, 22 sign up for the list server.

At this time we are seeking approval for attending the MSU career fair, small swag items (pens, notebooks, etc..) for all students, larger swag items for students that become members (chargers, pint glasses, etc...), and the cost of the booth \$105 (unbudgeted – I can provide a copy of the invoice if needed).
