### Project Narrative \*

This request is on behalf of the Membership Subcommittee for a table at the UM Career Fair on February 22nd, 2017. The cost of this event is in our proposed budget for 2017 but because there is a possibility of the budget not being considered and approved in time for Career Fair payment, we decided to put in for a request of assistance, as we did last year for the MSU Career Fairs.

The purpose of the event is to engage UM students interested in GIS with MAGIP, increase our list-serve, and possibly gain a few new members. We will be presenting students with information about MAGIP and how they can get involved, upcoming conferences, and any job openings current at that time.

The cost for the event is \$205.00 and includes a table, a small ad in the Career Fair handbook, and one additional (2 total) recruiter.

Project Start Date *	Wednesday, February 22, 2017
