Minutes

Meghan will work on layouts for the home page incorporating the “bookshelf” and “whiteboard themes” from wild apricot.

She'll posted the notes regarding the web redesign discussion from the retreat to google drive.

The next meeting will be in two weeks.

Brian will talk to his colleague about consulting with us regarding the web design.

Ask about getting an hour of his time now and then later after we've done some work. It would be great to get an outside perspective and see if there is anything we are missing.
