Steffen provided a document answering the list of questions that we had provided to him and including his recommendations for the redesign. He provided a list of how he might organize our content and an example template of the new homepage.

- Gerry agreed to look at the menu and see how we might rearrange the items
- Meghan will work on some homepage layouts for the Board to review
- There was a discussion regarding the discussion forum and what's new section:
 - Should we use Facebook to report Board news - have that feed on our page?
 - Should we use the blog function - and use that to highlight new items?
 - Promote the Discussion Forum - and use it more?
 - Public can see forum
 - Only members can contribute
