Meghan sent out an email prior to the meeting to the Board and Web Subcommittee members with a draft Homepage to review. Worked through what we liked/wanted changed.

Meghan will put together a draft email for the Board/Subcommittee to review that will be sent out to the MAGIP email list announcing the changes coming to the website with a sneak peak of the new homepage.

Meghan and Gerry will work on finalizing menu items.

Meghan will upgrade the web theme on Tuesday, December 27. She will put together a spreadsheet of all the pages that she'll update as the pages get completed. She'll ask the Board Members to review the pages as they are completed.
